

## **AUDITORIUM ARENA THEATRE — 188 seat black box.**

### Stage Dimensions

- *The Auditorium Arena Theatre is an arena stage. There is seating on all sides of the stage.*
- Elevated stage dimensions: 21'-10.5" wide x 26'-10.25" deep and 2.125" off the cement floor with flexible Wenger® seating. 12'-0" grid height.
- As the seating is flexible: the overall theatre dimensions are 76'-0" wide x 59'-0" deep – 4041 sq. ft. (with several corner interior walls for backstage space).

### Vomitory Surround

- Circling behind all four banks of seats and around the stage is a cement floor, 2.125" lower than stage level. These lead to our "Vom" surround which goes behind all of the seating sections.

### Lighting/Dimmers

- 1 - ETC Sensor Rack 96 dimmers 2.4kw
